JOB EXPERIENCE_

2019 - Present

GRAPHIC DESIGNER

More than 5 years in the field of graphics design
Specialized in visual identity designs
Advertising designs and all types of posts
Video editing + content creator on social media

The cooperation was done with my clients in the Arab world
In the sale of more than 200 services through the work sites
Free and all with a 100% rating and all I care about is
Customer satisfaction, and buyers' reviews are proof of that

MY VISION_

In today's business world, outstanding design is an essential aspect for every successful digital product. Based on my experience, I can not only create visually appealing designs but also build websites that people love to use. Along with creating visually striking brand identities that remain memorable, I emphasize the need for an organized design process to ensure that the delivery maximizes the value of your work..
